Bespoke Solutions

Real Estate

Our Real Estate practice group provides end-to-end consulting throughout the entire life span of real estate transactions. We have successfully executed a large number of acquisitions, investments, developments, leases and sales for some of the largest real estate funds and companies from India and Overseas.

We have been instructed by some of India's largest real estate companies and funds in investments, joint ventures, property acquisitions / sales and leases, residential, commercial and industrial developments, special economic zones (SEZs), townships, multiplexes, malls and IT parks. In an ever-changing real estate landscape, we bring together the much-needed expertise in structuring and negotiating transactions, fund formation.

Banking, Finance, Commercial & Corporate

We pride ourselves on the work that we have done over the years on the full spectrum of matters in the Banking & Finance sector having been instructed on highly complex, strategic and large-scale mandates in the areas of corporate banking, institutional banking, private banking, consumer banking, peer-to-peer finance, custodial and financial services, trade and microfinance, etc.

We also provide trailblazing legal solutions to corporate clients, which are commercially feasible & technically sound. Our expertise in this sector range over all corporate transactions including public and private M&A deals, joint ventures, restructurings, flotations, share offerings, securitization, private equity funding, corporate advisory and corporate recovery . Providing advise on planning & execution of such transactions and also acknowledges the client about rule, regulations, legal compliances and issues, in addition to the above, help them to manage their existing commercial relationships.

Litigation

At DSP Legal, we provide strategic consulting from drafting to discoveries to appearances in a range of civil, commercial and criminal disputes. We have successfully represented our clients in disputes of all kinds and forms such as contractual, real estate, shareholding, intellectual property, constitutional matters, insolvency and bankruptcy, trust, regulatory and tax litigation, prosecution and defence in criminal trials and appeals.

Our decades of experience in litigation equips us with unique courtroom prowess as we understand the various said and unsaid factors at play in litigious cases. The dispute resolution strategies are conceived in close coordination with our clients, aiming to resolve disputes as quickly as possible, in as inexpensive manner as possible, and with an unending focus on client satisfaction.
